*Included with each Pro wall-mount canister, ProC 4L canister and Multi-Cone canister.

Portion sizes listed are per section and dependent on item size, an important factor to consider when selecting your portion wheel.

Small or granular items are best dispensed using Rosseto's Scoop-It™ portion wheels.

Rosseto reminds you: Items affected by temperature and humidity should be stored and dispensed per manufacturer guidelines.

As with all food items, please follow ServSafe® guidelines to ensure freshness and guest safety.
