

SERVING SOLUTIONS

VOL. 1 / 2013

Dear Customers,

We thank you and sincerely appreciate your continued support and trust in Rosseto. It has been extremely exciting to experience the market's response to our new lines of products which are mostly manufactured in the United States. Since the products have been accepted and greeted with such enthusiasm and instant interest, we decided to continue to enhance these manufacturing lines by developing new and exciting products to further meet the needs of hospitality and foodservice professionals like you.

Our continued commitment and goal is to develop and design creative serving solutions at the highest of levels with upscale functionality and style. All of our new products have undergone extensive brainstorming and planning in order to provide you with innovative and promising solutions for displaying, dispensing and serving food that will turn any of your presentations into a sensation.

Together as partners, we promise you a successful and fruitful business relationship that will bring your company the elite serving solutions you need for your growing business.

Sincerely,

Gil Gold

Skycap is the quintessential system for the Culinary Master, Food & Beverage Manager and Catering Professional alike. This display ware is the distinct fusion of top quality materials, modularity, high visibility, contrasting levels and modern sustainable presentation. Stainless steel towers with carved notches allow you to easily sculpt and transform this modular piece into a modern front bar, an illuminated back bar, a chic catering buffet or food station, dessert table, sweets table or even an upscale retail display.

Rosseto Hexagon Riser Solutions – Unlike anything you’ve seen before in buffet display ware. Achieve a unique style while tremendously increasing functionality. Hexagon solutions can be whatever you want them to be. Use them as risers to elevate your creations, coolers to chill drinks in style, chilled platters for cheese that won’t stick or centerpieces that draw attention. With three different sizes available in multiple finishes, you’re left with a complete system of endless combinations. Already invested in the Skycap line of risers? Hexagon solutions integrate with your already existing Skycap items, saving you time and money.
