

Modulite™

Collection

Endless Flexibility

One Platform. More Possibilities.

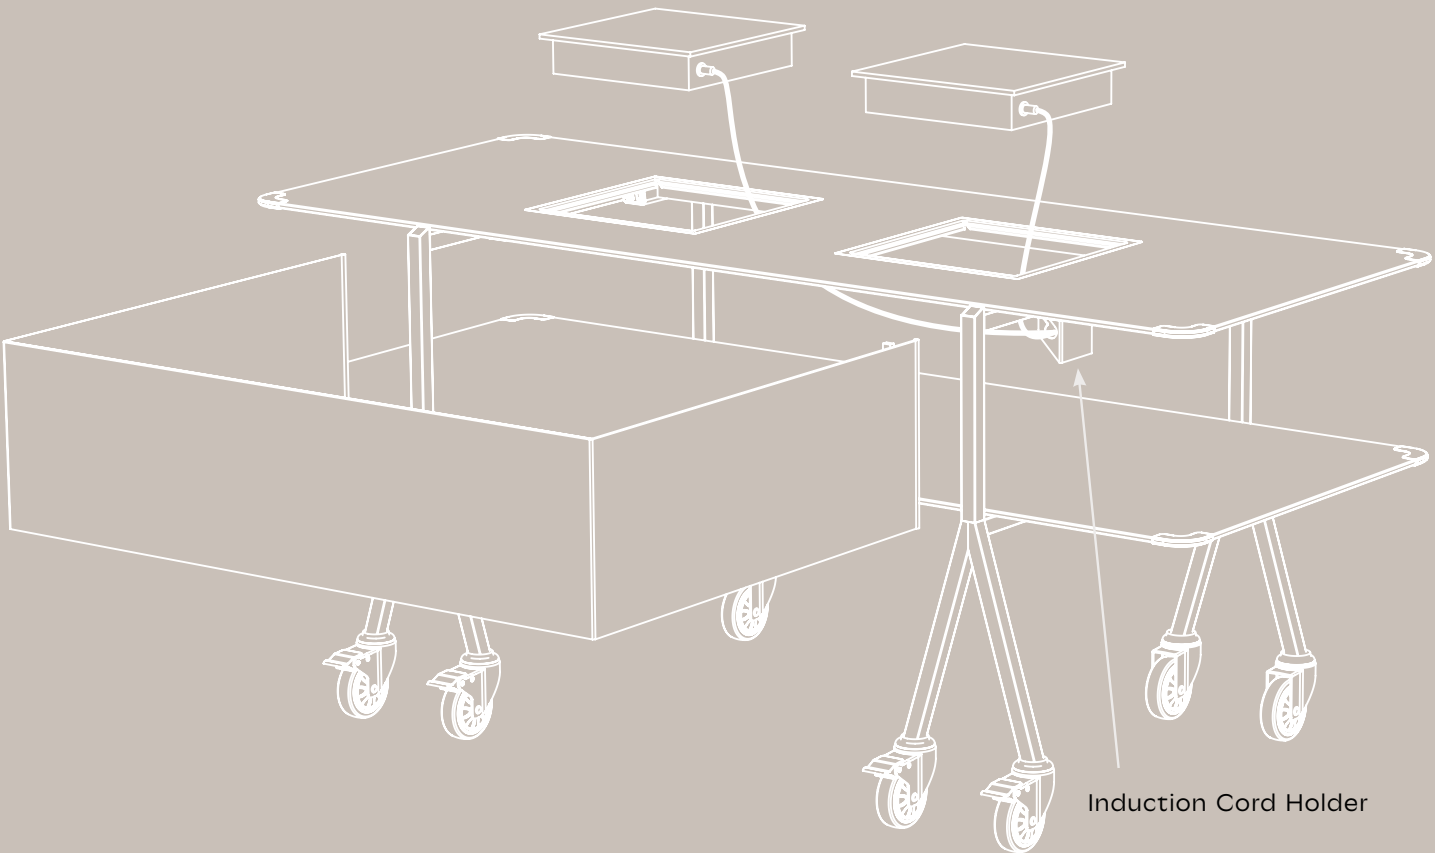

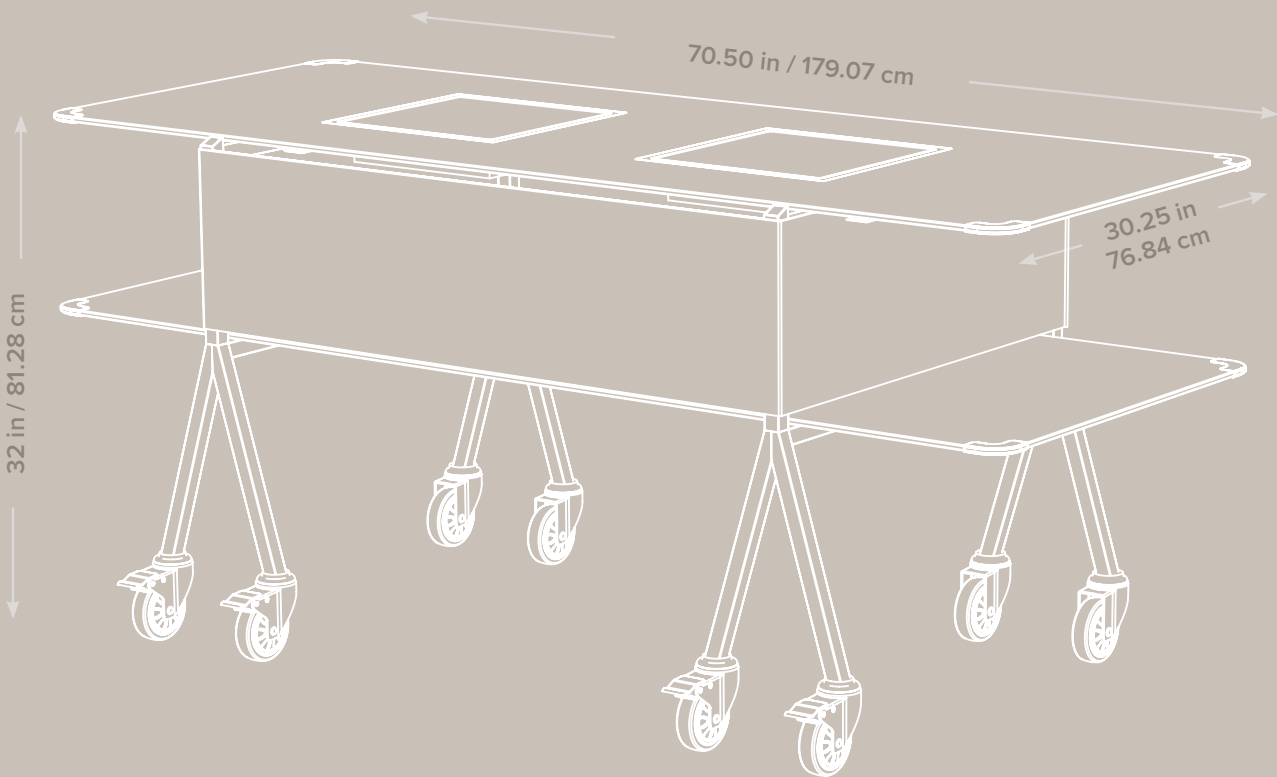

Modulite™ combines integrated induction warming with flexible, two-level buffet design — creating a complete solution for hot food presentation.

Designed for hospitality, Modulite lets you serve, warm, display, and reconfigure from one versatile platform.

Built-in Induction
Flameless warming, seamlessly integrated.

Modular Design
Multiple configurations for the way you serve.

Two-Level Presentation
More space to serve, display, and create.

Flexibility

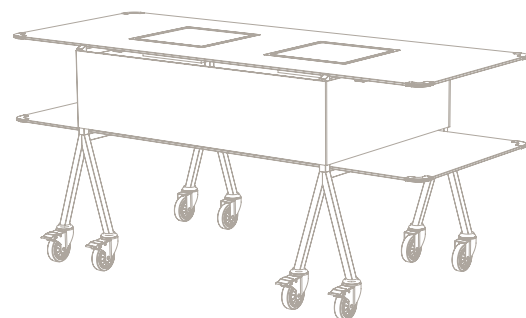

Built to Change with Every Event.

Breakfast. Banquets. Action Stations. Special Events.

Modulite™ adapts to the way you serve — combining integrated induction, mobility, and modular design in one flexible buffet platform.

Move it. Configure it. Connect it. Put it to work.

Built for Hospitality. Designed to Perform.

Concrete Gray HPL

A contemporary concrete-inspired finish that adds a clean architectural character to modern buffet presentations.

Black Marble HPL

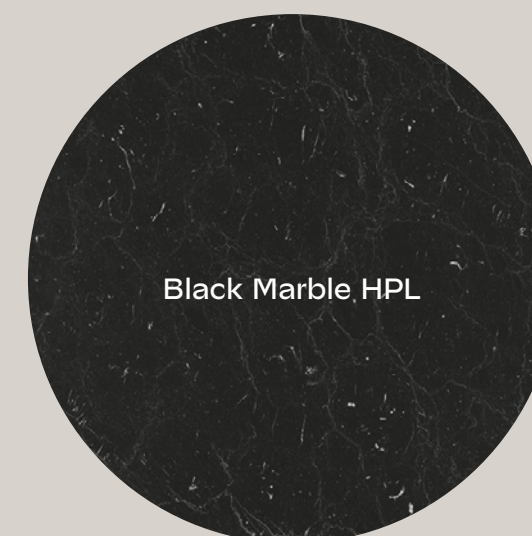

A rich marble-inspired finish that creates a dramatic focal point in upscale hospitality environments.

Walnut HPL

A warm woodgrain finish that brings depth, natural character, and timeless appeal to the buffet.

Natural Wood HPL

A light wood-inspired finish that adds warmth and flexibility to contemporary food presentations.
