

SKYCAP CART (SM132)

SETUP MATERIALS:

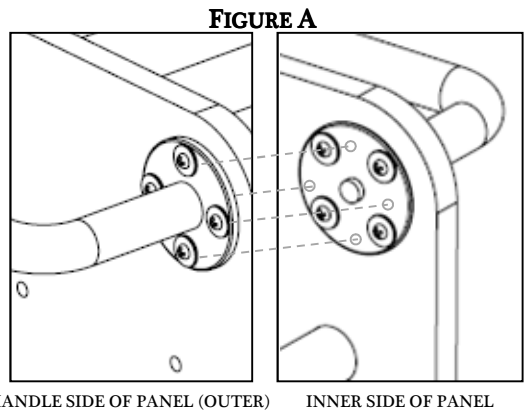

- 4 – Screw Plates
- 16 – Small Philips Screws
- 16 – Small Washers
- 2 – Allen Screws
- 16 – Large Philips Screws
- 1 – Handle
- 2 – Swivel Casters
- 2 – Fixed Casters
- 1 – Skycap Cart Frame

TOOLS YOU WILL NEED:

- Large Allen Wrench (included)
- Small Allen Wrench (included)
- Drill with Philips Drill Bit (not included)
- Extra set of hands (to help flip Skycap Cart)

ASSEMBLY INSTRUCTIONS:

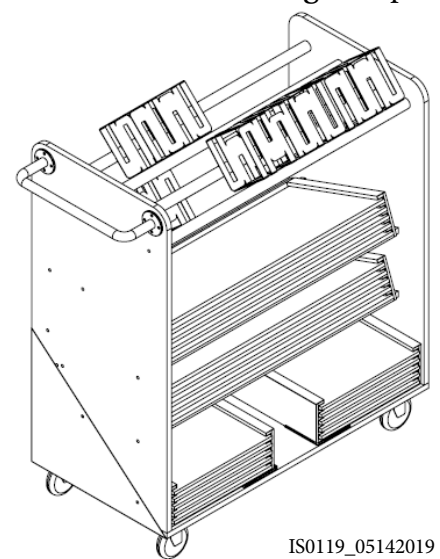

1. Stand Skycap Cart upright with crossbars side up.
2. On the taller side panel, there are 2 holes near the top.
 - a. Place 1 screw plate on each side of both top holes.
 - i. With washer in place, drill 1 small screw into each hole.
 - ii. **IMPORTANT:** Refer to **Figure A**. Make sure that the small screw holes on either side of the panel don't align. This is to make sure that the screws go into the panel material and not run into each other.
 - iii. Repeat for all 16 small screws & washers.
3. Align the handle with the 2 top holes on the outer side of the panel.
 - a. Install the handle with Allen screws using the large Allen wrench provided.
 - b. Repeat for both sides of handle.
4. Flip Skycap Cart frame upside down.
5. Find the swivel casters and screw them on to the bottom of the cart, on the side closest to the handle. Use the large Philips screws. Make sure to align caster holes with pre-drilled holes on the bottom of the frame.
6. Using the remaining large Philips screws, secure the fixed casters onto the pre-drilled holes on the bottom of the cart. The fixed casters should be positioned directly parallel to the already-installed swivel casters.
7. Flip Skycap Cart Frame into the upright position.
8. You are now ready to use your Skycap Cart!

Crossbars Capacity: 4 pieces 8" or 3 pieces 12" Skycap Risers (across).
Shelf Capacity: 1 Long or 2 Short Surfaces Holders per shelf, 5 surfaces per holder.

CARE INSTRUCTIONS:

- Wipe down with damp cloth when needed
- Make sure to use wood friendly chemicals!
